

Stephen Gardner

*Amtrak Vice President
of Northeast Corridor
Infrastructure
and Investment Development*

Voted one of 50 politicos to watch by *Politico Pro*, Stephen Gardner recently presented the case to the New Jersey legislature for two additional Hudson River tunnels to alleviate delays in the Northeast Corridor (tracks in the tunnels are also used by New Jersey Transit). The tunnels are over 100 years old. **Come hear his thinking regarding Amtrak's future and that of our own Downeaster and service in Northern New England.**

Come meet Stephen Gardner and enjoy an evening with TrainRider members and friends of Amtrak and the Downeaster
